## Bring Your Tools – Looking for a new family to love me!

This home needs some TLC but it is truly a home that can grown with the family. The current owners have spent 46 years enjoying the home while raising their family. Just imagine the BBQ's on the deck, countless hours playing cricket in the big backyard and the laughter shared inside these walls.

The home is now surplus to their needs and they require a new owner to love it as much as the last. If you are handy or ready for a challenge, there is an excellent buy on offer here. The bones are solid but a cosmetic tidy would see a huge improvement.
