Bring Your Tools – Looking for a new family to love me!

This home needs some TLC but it is truly a home that can grow with the family. The current owners have spent 46 years enjoying the home while raising their family. Just imagine the BBQ's on the deck, countless hours playing cricket in the big backyard and the laughter shared inside these walls.

The home is now surplus to their needs and they require a new owner to love it as much as the last. If you are handy or ready for a challenge, there is an excellent buy on offer here. The bones are solid but a cosmetic tidy would see a huge improvement.

The home features:

Upstairs:

- North facing front deck
- Open plan lounge and dining area with air conditioning and direct access to the rear deck
- Timber look kitchen with upright electric stove and cooktop. There is good storage, double sink and a rangehood
- 3 bedrooms with built in robes and air conditioning. The windows in these rooms are also double glazed. The master bedroom and one other feature air conditioning
- Updated bathroom with a shower over the bathtub. The toilet is separate.
- Spacious covered rear deck overlooking the backyard
