248 King Street

1214SQM - RENOVATE OR DEVELOP

This property has many options for buyers and is now rarely found on the Redcliffe Peninsula. Located on a level 1214sqm block the lowset timber home is in need of an update, so renovate and enjoy this great size block with an inground pool and plenty of storage sheds for the toys. Or demolish the home and build your dream home on this huge block . For the developer this size block will allow several options whether units, townhouses or split the block for separate houses.

The location is central to schools (Primary, Secondary, Private & Public), shopping, transport (rail & bus), medical facilities and sporting complexes. For city commuters the access to the Houghton Highway is close by and the airport is 20 minutes away. The beach and waterfront parklands are a few minutes drive away.

* Three bedroom timber home
