86 McLennan Street, Woody Point

Renovation Project – First Time Offered

This great property is full of potential, but you will need to see past the dated cosmetics. The property sits in a quiet and family friendly location close to schools, shops, parks, public transport and it is a very short walk to the beach. The current family have owned the property since the late 1960's but the time has come to pass the baton on to a new family to enjoy. The home has great space upstairs and down and a backyard that is screaming out for development. Bring your tools and an open mind and enhance the true character of the home.

Alternatively, this would be an excellent elevated block to build your new home (with potential water glimpses). There is a 12.6 meter frontage and length of 39.7 meters

86 McLennan Street, Woody Point features:
