The generous kitchen and the informal living area have a vaulted ceiling, is air conditioned and extends out to the undercover entertainment area and the pool area. The timber kitchen has a dishwasher, new oven & ceramic cooktop and lots of storage & bench space.

The family bathroom has a powder room, separate toilet and a separate shower and bath – great for busy families.

The laundry is built in and has access to the clothes line via a timber boardwalk.

The outdoor tiled entertainment area is perfect for get togethers or simply relaxing in the outdoors while watching the kids in the inground, solar heated, saltwater pool.

The home has side access for a trailer or small boat, a water tank, double remote garage with internal entry and plenty of off street parking for a caravan or boat with shade sail covers.
