RENOVATE OR DETONATE

Wow! This must be the cheapest home on the Peninsula. Get ready to renovate or remove the structure and build your dream home. Centrally located on an elevated 405m² block the home is close to a shopping centre, schools, medical centre, post office and of course just a short walk to Margate Beach.

For the renovators the home has been stripped bare ready to begin. The concrete stumps are in good condition, there are timber floors and the exterior has aluminium cladding over fibro sheeting.

For those buyers wishing to build on the block a double storey home will give you some water views and incredible sea breezes.

The configuration of the home is three bedrooms, eat in kitchen, lounge, bathroom and separate toilet. There is a reasonable size shed with power at the rear of the block and colorbond fences on three sides.
